

8X40 WASHROOM (ON-SITE HOOKUP)

MBWA840

MORE SPACE, MORE COMFORT

With the same amenities as our 20' washroom, this washroom is built to serve larger groups of people while still maintaining the stackability and flexibility that comes with a standard width BigSteelBox.

STANDARD SPECIFICATIONS

- 8'(w) x 40'(l) x 9'6(h) corten steel shell is durable and easy to transport
- (2) weld-in steel man doors with vents for added durability
- 3" spray foam insulation on ceiling (R18) and 2" on walls (R12) for improved energy efficiency in cold weather
- Fibre reinforced plastic (FRP) panels behind the urinals and toilets make it easy to clean
- Vinyl wrapped drywall provides a clean finish
- (4) 2000w in-wall electric heaters warm the washroom while maximizing space
- (2) 6000BTU air conditioning units to quickly cool and create a comfortable space
- Interior vapor-proof lighting for added moisture resistance and durability
- Rigid floor insulation for added heat retention
- Vinyl flooring is easy to clean & cost effective
- Durable rubber baseboards to protect the walls from spills
- 100 amp panel with breakers & hard wire fitting for easy connection to a power source
- (3) Toilets, (3) urinals and (4) sinks installed in the men's washroom, and (2) toilets & (2) sinks in the ladies washroom
- Plastic laminate and melamine vanity add durability in moisture-rich environments
- Mirrors, paper towel dispensers, and soap dispensers located at the sinks for added convenience
- Tankless on-demand hot water heater with central plumbing hookups make this unit quick to deploy
- Ventilation included to remove humidity, moisture, and unpleasant odours
