

# 8X20 WASHROOM (SELF CONTAINED)

MBWA820-SC

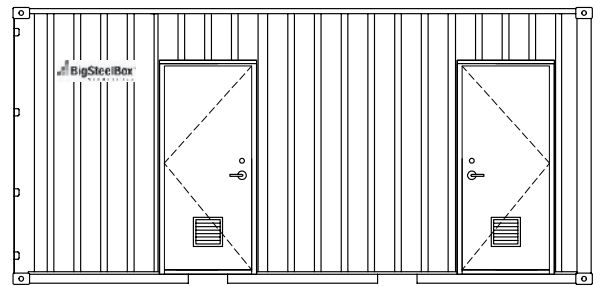

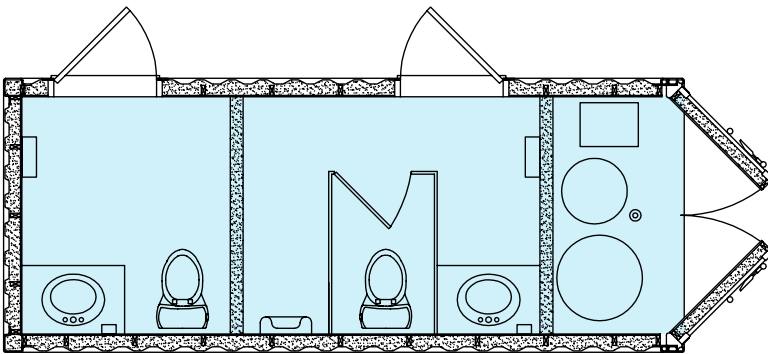

## BUILT FOR REMOTE LOCATIONS

Strategically placed washrooms save your staff travel time to and from the job site, so it's important to choose a product that fits. With on-board water and waste, this is a great solution when water hookups aren't available or if staff are working off the grid.

### SPECIFICATIONS

- 8'(w) x 20'(l) x 9'6(h) corten steel shell is durable and easy to transport
- (2) weld-in steel man doors with vents for added durability
